-  First Aid
-  Tap water station

TERRESTRIAL ARMY SQUARE

Terrestrial Army Square is located on the concrete strip and close to the depot. It is home to a static display of vehicles used in the tank show and kept in the depot. Take a ride on a narrow gauge train on loan from the Erica Industrial Narrow Gauge Museum.

AIR FORCE SQUARE

The Soesterberg Summer Offensive offers the unique opportunity to take a very close look at military aircraft! As an exclusive, we have the F-16 Orange Jumper on show. Discover the various stands of our fighter plane squadrons, books on aviation and We believe in Ghosts patches.

TANK SHOW

The arena is set to showcase our tanks and other military vehicles in action. The tank shows are scheduled to start at 11:00 and 14:00 hours. Our experts will tell you more about the different vehicles during the show.

OPEN DEPOT

Take a look behind the scenes. Our depot is jam-packed with collection pieces which normally are not on display to visitors. Check out the 'out of sight' collection at close quarters, including the McDonnell Douglas F-4E Phantom II. Find out more about our various projects.

BRAWNY KIDS-ACTIVITIES

We have also thought of the kids. At the event, kids get to drive the mini-jeep or mini-tank and test their military skills. Who completes the obstacle course fastest? Stay invisible: dress up and make up like a real trooper!
