TERRESTRIAL ARMY SQUARE

Terrestrial Army Square is located on the concrete strip and close to the depot. It is home to a static display of vehicles used in the tank show and kept in the depot. This year, several special vehicles from the War Heritage Institute in Belgium are also on display!

AIR FORCE SQUARE

The Soesterberg Summer Offensive offers the unique opportunity to take a very close look at military aircraft! On display are the F-16 Orange Jumper and the McDonnell Douglas F-4E Phantom II. Discover the various stands of our fighter plane squadrons, aviation books, and patches.

TANK SHOW

The arena is set to showcase our tanks and other military vehicles in action. The tank shows are scheduled to start at 11:00 and 14:00 hours. Our experts will tell you more about the different vehicles during the show.

OPEN DEPOT

Take a look behind the scenes. Our depot is jam-packed with collection pieces which are normally not on display to visitors. Check out the 'out of sight' collection at close quarters or watch the live restoration of the Consolidated PBY-5A Catalina in Hangar 8.

BRAWNY KIDS-ACTIVITIES

We have also thought of the kids. At the event, kids get to drive the mini-jeep, play laser tag and test their military skills. Who completes the obstacle course fastest? Stay invisible: dress up and make up like a real trooper! Learn about the four branches of the Dutch Armed Forces and earn a reward.
