ARMY SQUARE

The Army Square can be found on the concrete strip, featuring a static display of vehicles from the tank show. This year, you will feel the ground shake when the Leopard 1 bridge-laying tank goes into action.

AIR FORCE SQUARE

During the Soesterberg Summer Offensive, you will have the unique opportunity to view aircraft from very close up. The F-16 Orange Jumper, the McDonnell Douglas F-4E Phantom II and the F-100 Super Sabre, among others, will be displayed outside on the platform. Explore the various stands featuring squadrons, aviation books and patches.

TANK SHOW

Come to the Arena to see our tanks and other vehicles in action. The tank show takes place at 11:30 a.m. and 2:30 p.m. During the show, our experts will tell you more about the different vehicles.

OPEN DEPOT

Take a look behind the scenes. Our depot is jam-packed with collection pieces which are normally not on display to visitors. Check out the 'out of sight' collection at close quarters or watch the live restoration of the Consolidated PBV-5A Catalina in Hangar 8.

KIDS' ACTIVITIES

We have not forgotten about adventurous kids either. Children can ride in a mini-jeep or mini-quad, play laser tag and test their military skills. Who will achieve the fastest time on the obstacle course? Collect stamps in your own Soldier's Manual by completing all the activities. Learn about the four branches of the Dutch Armed Forces and receive a reward. You can find the kids' activities at the yellow flags.
